Comment =Hey, is this your shirt design? As an Airstream owner and fan I absolutely love it, but I don't want to buy it unless it's yours, vs. someone pirating your designs for a quick buck. Thanks!

My Question =General Product Question

Comment =Hi, I accidentally ordered 4 t shirts from teechip, thinking they were your wonderful life is good. I immediately tried to return them and they will not accept them, just want me to exchange. My bank is trying to help me and said maybe if you state that you are in litigation, trying to stop the scam, it could help my case. I hope you can help me, and I will be more careful of my order in the future. Thank you, Lynda Van Wyk
